MEMORANDUM FOR: Chief, Development Branch, DPD  
THROUGH : Acting Chief, Development Projects Division  
REFERENCES : CORONA CABLES IN 08361 and IN 08325

I regard the TWX correspondence between LMSD and BMD in the referenced messages not only a serious threat to CORONA security but an example of creeping bureaucracy. Who is Lt. Col. Heisler? If he is witting of CORONA why did he send information like this outside of the CORONA communications channel? If he is not witting why did BMD send him to LMSD in the first place? Unless you feel these questions are too violent I believe they should be put in very direct form to BMD. These people seem to have forgotten everything they once knew about compartmentation. Could you let me have a report on this in due time.
